Any configuration of the Alba Lenses Custom model provided by the client will be subject to review and approval by our technical department before the official order is confirmed. Please consider dimensions and transport limitations.

Custom dimensions can be requested, bearing in mind that areas without lighting modules will be covered with Opaque profiles. Toda configuración del modelo Alba Lenses Custom realizada por el cliente estará sujeta a revisión y aprobación por parte de nuestro departamento técnico antes de la confirmación del pedido oficial. Considerar las limitaciones dimensionales y de transporte.

Se puede solicitar cualquier medida personalizada, teniendo en cuenta que las zonas sin módulos lumínicos serán cubiertas con perfiles Opaque.
