LIGHT THAT INSPIRES, DESIGN THAT TRANSFORMS

With over 50 years of experience from Denia (Costa Blanca), BPM Lighting creates architectural lighting solutions that blend cutting-edge technology, artisan processes, and a strong design focus.

Our flexible structure and innovative spirit allow us to offer custom-made luminaires tailored to each project's needs. We believe in light that brings well-being, identity, and sustainability.

Let's get brighter.

COMMITTED TO LIGHTING THAT RESPECTS THE PLANET

At BPM Lighting, we believe that innovation and sustainability must go hand in hand. Our commitment to the environment and the community is reflected in a people-centered, proximity-based and environmentally responsible management model.

We work daily to reduce the environmental impact of our activities through concrete and measurable actions.

IF YOU CAN
DREAM IT,
WE CAN
MAKE IT!

WE SHAPE YOUR LIGHT.
WE CREATE UNIQUE PROJECTS.

At BPM Lighting, we believe every space deserves a unique lighting solution. That's why we offer a fully customized design and manufacturing service, turning your ideas into real, tangible luminaires.

From the initial concept to the final installation, our design, engineering and production teams work closely with you to develop exclusive solutions tailored to the needs of each project including architecture, materials, finishes, optics, and functionality.
